

## Symbol in Hadith to Identify the Dajjal:

1. (Sahi Muslim Hadith # 7009, Chapter 41)  
Anas b. Malik reported that Allah's Messenger (SAW) said: Dajjal is blind of one eye and there is written between his eyes the word" Kafir". He then spelled the word as **k. f. r.**, which every Muslim would be able to read.
2. (Sahi Muslim Hadith # 7007, Chapter 41)  
Anas b. Malik reported that Allah's Messenger (may peace be upon him) said: There is never a prophet who has not warned the Ummah of that one-eyed liar; behold he is one-eyed and your Lord is not one-eyed. On his forehead are the letters **k f. r.** (Kafir).
3. (Sahi Muslim Hadith # 7008, Chapter 41)  
Anas b. Malik reported that Allah's Messenger (may peace be upon him) said: There would be written three letters **k. f. r.**, i. e. Kafir, between the eyes of the Dajjal.

## Eye of Horus:

You must be aware of the symbology of the All Seeing Eye which is on the U.S Dollar, MI5 logo and many important institutions in the world:

(U.S Dollar)

(British MI5)

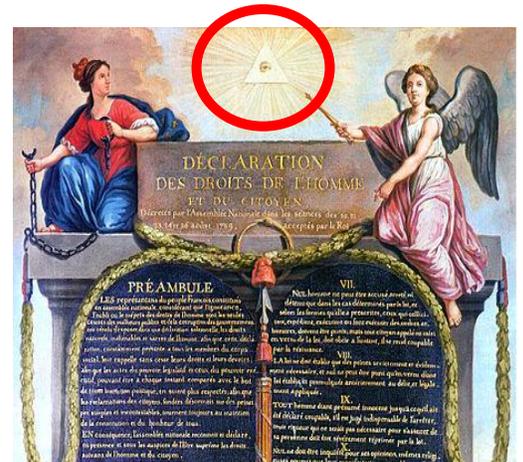

(U.S Information Awareness Office)

(Vatican)

(Freemasonry)

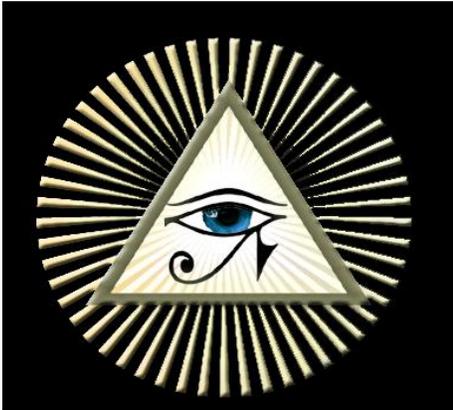

(Declaration of the Rights of Man-1789)

This All Seeing Eye is a modified version of the original eye of Horus which is also confirmed by Wikipedia.

*“Imagery of an all-seeing eye can be traced back to Egyptian mythology and the **Eye of Horus.**”*

*(Source: Wikipedia)*

Below are some of the illustrations of the eye of Horus:

As the following Figures below illustrate, the eye of Horus when rotated, forms into three letters which are K F R. Figure 1 is the original image of the eye of Horus, figure 2 is when it is rotated and figure 3 is when the three letters can be seen separately. Figure 4 shows that the 3 letters form kufr i.e. K F R.

Figure1

Figure 2

Figure 3

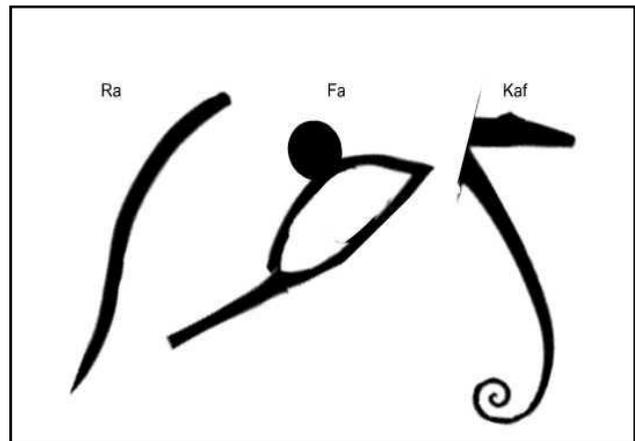

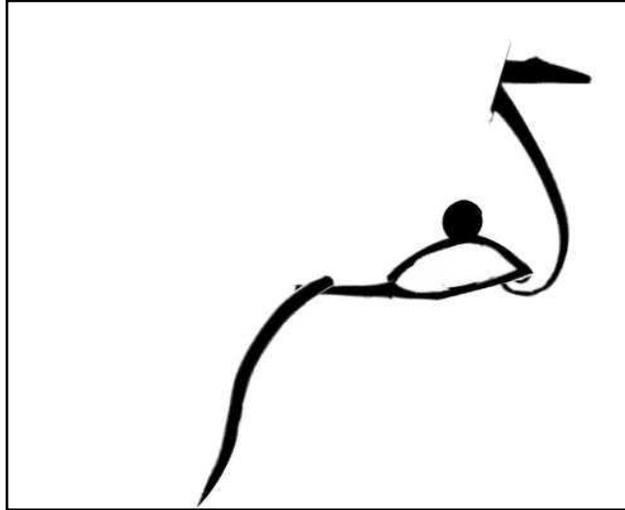

Figure 4

As can be seen in Figure 4, the three letters form precisely into the word kuf when combined.

### Further evidence from the Hadith:

To further judge if the eye of Horus is leading us to the correct identity of the Dajjal, the following points are notable:

S.No	Horus	Dajjal
1.	<b>One Eye</b> Horus as a mythological figure is <b>one eyed</b> as he lost his left eye during a fight with his murderous uncle, Seth.	<b>One Eye</b> Dajjal is also <b>one eyed</b> as per the Hadith: <i>"...behold he (Dajjal) is <b>one-eyed</b> and your Lord is not one-eyed. (Sahi Muslim)."</i>
2.	<b>Fall of Constantinople-15<sup>th</sup> Century</b> The eye of Horus became widely used in western society in the beginning of the 16 <sup>th</sup> century. The earliest recorded use of the eye of Horus in western society was in <b>1525</b> painting of Jacopo Pontormo (Appendix 'A') and the Corpus Hermeticum which was published in <b>1471</b> (Appendix 'B').	<b>Fall of Constantinople-15<sup>th</sup> Century</b> According to Hadith, Dajjal will come forth right after the conquest of <b>Constantinople</b> which took place in <b>1453</b> : <i>"The time between the great war and the conquest of the city (<b>Constantinople</b>) will be six years, and the Dajjal (Antichrist) will come forth in the seventh." (Book #37, Hadith #4283).</i>
3.	<b>Horus as Jesus Christ</b> Horus is often portrayed in many literary works and the media as being the true <b>Christ</b> instead of Jesus (PBUH). This can be seen in documentaries such as the Zeitgeist (Appendix 'C') which asserts that the character of Jesus was based on Horus.	<b>Dajjal impersonate Jesus Christ</b> Dajjal is also called ' <b>Masih Dajjal</b> ' because he would try to impersonate Masih Jesus (Isa).

	This shows there are certain powers who are preparing the system for the arrival of horus in human form.	
<b>4.</b>	<b>Horus from Another Dimension</b>	<b>Dajjal in Another Dimension in his First Stage</b>
	The words of Horus from <b>another dimension</b> have been recorded in the book called 'The Book of the Law' (Appendix 'D') which was written in 1904 by Aleister Crowley. Crowley claimed that a being named Aiwass, which was the messenger of Horus, appeared to him and dictated to him the words of Horus.	When Dajjal is released he would also be in another dimension as the Prophet Muhammad (PBUH) said: <i>"Dajjal would stay on earth for forty days, one day like a year and one day like a month and one day like a week and the rest of the days would be like your days."</i> (Sahi Muslim Book #041, Hadith #7015)  It is evident that when Dajjal is in a day which is like a year, he would not be in our days, meaning he would not be in our dimension of time. It is only when Dajjal is in the final stage when his day is like our day that he will appear in human form. This view is also shared by Islamic Scholar Imran Hosein.
<b>5.</b>	<b>Horus Forms New Religion</b>	<b>Dajjal will Form a New Religion</b>
	In the Book of the law, Horus initiated his own <b>religion</b> called Thelema ( <a href="http://en.wikipedia.org/wiki/Thelema">http://en.wikipedia.org/wiki/Thelema</a> ). The guiding principle of Thelema is when Horus states in the book:  <i>"Do what thou wilt shall be the whole of the Law"</i> <i>(Book of the Law).</i>	Dajjal will also call the people towards a new religion as per the following Hadith:  <i>"He (Dajjal) would come to the people and invite them (to a <b>wrong religion</b>) and they would affirm their faith in him..."</i> (Sahi Muslim Book #041, Hadith #7015).
<b>6.</b>	<b>Horus Claim to Godhood</b>	<b>Dajjal Claim to Godood</b>
	Horus claimed to be god in the book of the Law when he states:  <i>"They (other gods) are as upon the earth; I am Heaven, and there is no other God than me"</i> <i>(Book of the Law)</i>  The Book also asserted that: <i>"Humanity has entered into a third aeon, the <b>Aeon of Horus</b>, which was controlled by the child god, symbolized by Horus."</i> <i>(Book of the Law)</i>	Dajjal will eventually claim godhood. This can be seen by the following Hadith:  <i>'If you still have any doubts regarding him (Dajjal), then remember, your Sustainer (Allah) is not one-eyed.'</i> <i>(Narrated Ubadah ibn Saamit)</i>  From this Hadith, one can infer that Dajjal will convince people that he is god and would display god like powers which would cause doubts in the hearts of men.
<b>7.</b>	<b>Impact of Horus in Modern Western Civilization</b>	<b>Dajjal's Appearance after the Fall of Rome</b>
	The Modern Western Civilization took roots in the Renaissance and the modern era began in the middle of 15 <sup>th</sup> century after the fall of Constantinople (Wikipedia). The influence of the	In light of the Hadith, Dajjal appeared after the Muslims defeated the Roman Empire i.e. the Byzantine Eastern Roman Empire of which the capital was Constantinople:

<p>doctrine of Horus on modern way of thinking in terms of free will and the downfall of religion can be linked to the principle outlined by Horus in the Book of the Law:</p> <p><i>“Do what thou wilt shall be the whole of the Law”</i></p> <p>The symbol of the eye of Horus is found on most of the big institutions in western civilization including the U.S Dollar, French Revolution, Vatican, Media, Intelligence agencies etc. Therefore the impact of Horus on Western Civilization is felt heavily.</p>	<p><i>“You will attack Arabia and Allah will enable you to conquer it, then you would attack Persia and He would make you to Conquer it. Then you would attack Rome and Allah will enable you to conquer it, then you would attack the dajjal and Allah will enable you to conquer him. Nafi' said: Jabir, we thought that <b>the dajjal would appear after Rome.</b>”</i></p> <p><i>Book #041, Hadith #6930</i></p> <p>Muslims conquered Arabian Peninsula by 632 AD. Persia was later conquered in 642 AD when the Muslim army defeated the Persians in the battle of Nahavand. Muslims then conquered the capital of Byzantine Roman Empire i.e. Constantinople in 1453 which led to the collapse of the Roman Empire.</p>
